2.6.7.1 Marking of Packages

2.6.7.1.1 Packages containing excepted quantities of dangerous goods prepared in accordance with this subsection must be durably and legibly marked with the mark shown in Figure 2.6.B. The primary hazard class or. when assigned, the division of each of the dangerous goods contained in the package must be shown in the mark. Where the name of the shipper or consignee is not shown elsewhere on the package this information must be included within the mark.
